Tasting note

The assemblage, blend, of Grand-Puy-Lacoste 2020 is again largely Cabernet Sauvignon, 76%, and demonstrates the ability of our terroir to express the character and charm of great Cabernet. Our wine is a deep reddish purple, intense and bright. The bouquet is of ripe black fruit, violets and spices. Complemented by an attractive mineral freshness. On the palate the first impression is of clean, balanced and persistent fruit, carried by its ripe and

rounded tannins. The wine is finely knit, combining charm, elegance and freshness, with a long pure finish and pronounced aromatics.

Yet again, this fine vintage with its richness and complexity displays the impressive terroir of Grand Puy Lacoste. This can certainly be numbered among the great successes of the property.
