## 2009 Bordeaux: The Top Ten Revealed

Thursday, 22 July 2010 by Stephen Browett

We thought that customers would be interested to know which were our biggest selling wines in 2009. In order of number of cases sold, they are:

- Lynch Bages
- Pontet Canet
- Cos d'Estournel
- Cantemerle
- **Grand Puy Lacoste**
- Lafite
- Mouton Rothschild
- Leoville Barton
- Leoville Poyferré
- Domaine de Chevalier

**Grand Puy Lacoste** - this is the wine that Robert Parker got wrong in 2009! Woefully under-rated, GPL 2009 is a fantastic Pauillac of 2nd growth quality and at half the price of Pichon Baron and a third of the price of Pichon Lalande. Customers have been attracted by the value for money and our strong recommendation as well as the consistent track record of this distinguished Chateau.

.....

"Just missing out on a place in the top ten were the great value Pauillac **Haut Batailley** (480 cases sold) ....."
